

## TARGETED DISABILITIES

1. Hearing Impairments:
  - a. Total deafness in both ears, with understandable speech
  - b. Total deafness in both ears, and unable to speak clearly
2. Vision Impairments:
  - a. Inability to read ordinary size print, not correctable by glasses (can read oversized print or use assisting devices such as magnifiers)
  - b. Blind in both eyes (no usable vision, but may have some light perception)
3. Missing Extremities:
  - a. One leg
  - b. Both hands and arms
  - c. Both feet and legs
  - d. One hand or arm or one foot or leg
  - e. One hand or arm or both feet or legs
  - f. Both hands or arms or one foot or leg
  - g. Both hands or arms or both feet or legs
4. Partial Paralysis:
  - a. Because of a brain, nerve, or muscle problem, including palsy and cerebral palsy, there is some loss of ability to move or use a part of the body, including legs, arms and/or trunk
  - b. Both hands
  - c. Both legs, any part
  - d. Both arms, any part
  - e. One side of the body, including one arm and one leg
  - f. Two or more major parts of the body (arms, legs, etc.)

5. Paralysis:
  - a. Because of a brain, nerve, or muscle problem, including palsy and cerebral palsy, there is a complete loss of ability to move or use a part of the body, including legs, arms and/or trunk
  - b. One arm
  - c. Both arms
  - d. One leg
  - e. Both legs
  - f. Lower half of the body, including legs
  - g. One side of the body, including one arm and one leg
  - h. Three or more major parts of the body (arms and legs)
  
6. Other Impairments:
  - a. Convulsive disorder (such as epilepsy)
  - b. Mental retardation (a chronic and lifetime condition involving a limited ability to learn and to be trained for useful productive employment as certified by a State Vocational Rehabilitation agency under section 213.3102(t) of Schedule A)
  - c. Mental or emotional illness (a history of treatment for mental or emotional problems)
  - d. Severe distortion of limbs and/or spine (for example dwarfism, kyphosis [severe distortion of back])
