2	(8:02 a.m.)
3	MS. KNORR: Good morning, everybody.
4	If you want to go ahead and take your seats. I
5	think we're going to get started here in just a
6	minute or two.
7	MR. PARROTT: Okay, good morning
8	everyone. Good morning everyone. Good morning
9	everyone. It's a rowdy bunch.
10	It's day two, so we'll call this
11	meeting to order. And before I turn it over to,
12	back to your Chair, Beth, I'd like to introduce
13	one of my Associate Deputy Administrators. This
14	is Dr. Melissa Bailey. So she's going to be with
15	us today. And then she's also going to join us
16	on the tour of the rooftop garden. So I wanted
17	you all to know Melissa.
18	So with that I'll turn it over to
19	Beth, and we'll do the remaining subcommittee
20	work that we were going to do this morning before
21	we break on our tour.
22	MS. KNORR: Good morning, everybody.

Neal R. Gross and Co., Inc. Washington DC

1	So a few bits of business. Those committees who
2	met briefly yesterday, if you haven't done so
3	already, please turn in your rosters and your
4	list of your chair persons and vice-chair persons
5	to Pam, so that she can get that documented.
6	Also she's hoping that each of the
7	groups can begin to think about dates in November
8	or early December to setup the first
9	teleconference of the working groups. So that
10	she can begin to do the research and reach out to
11	anybody that you might need for resources, or
12	anything like that. So if you could get with
13	her, and start talking dates that would be great.
14	So this morning we're going to have a
15	few minutes here. I know that the Food Safety
16	Group is going to be convening. And then we're
17	going to be leaving to visit an urban farm on a
18	rooftop.
19	And Trisha Kovacs from the Secretary's
20	Office of Local and Regional Food, the Know Your
21	Farmer, Know Your Food group's policy advisor,
22	she's going to be joining us on that tour as

Neal R. Gross and Co., Inc. Washington DC

To give us a little bit of an overview of 1 well. 2 the work that she is doing, and her office is So take advantage of that and ask lots of 3 doing. 4 questions about that. 5 We're going to have about 40 minutes with the Food Safety Group. The Food Safety 6 7 Group, you're going to have about 40 minutes to 8 talk, and identify your priorities, and that kind 9 of thing. Same thing, make sure that you get the 10 information, your rosters to, Pam. Am I -- oh, the meeting dates. 11 Pam 12 has shared with me that the tentative April 13 meeting dates have already been set for April 4th 14 to 6th. So be certain to mark that on your It will be here again. And I'm sure 15 calendar. 16 that closer to the date she'll be sending out, 17 you know, information on making reservations et 18 cetera, et cetera. 19 Anything else this morning? 20 FEMALE PARTICIPANT: No, so. 21 MS. KNORR: Okay, so if you want to go ahead Food Safety Group and convene. And we need 22

1	to be in the lobby at 9:00 o'clock. But we'll
2	come together again to I guess to adjourn, to
3	officially adjourn the meeting before we leave
4	for the tour, so.
5	MR. YANDA: Beth, what time do we
6	expect to be back here, 11:30?
7	MS. STANZIANI: Approximately 11:30,
8	yes. I would say anywhere from 11:30 to 12:00.
9	I'm, it's D.C.
10	And just for those who are not meeting
11	for the Food Safety Group, if you wouldn't mind
12	making sure that I have your focus areas.
13	Meaning not just the group, but what you're
14	looking for, looking at in particular to focus in
15	on within that subject area. That would be
16	great.
17	MS. KNORR: Yes, and if anybody has
18	any questions or comments for the good of the
19	cause, I think now would be a good time to ask
20	them. Otherwise we can go ahead and break out
21	into the Food Safety Group.
22	Anything?

1	(No audible response)
2	MS. KNORR: No? Okay, well let's come
3	back here. It is about ten after 8:00, so let's
4	convene back here at 8:40. Okay? Thanks.
5	(Whereupon, the above-entitled matter
6	went off the record at 8:09 a.m. and resumed at
7	8:46 a.m.)
8	MS. KNORR: A couple of things before
9	we make our way to the lobby and so on. If you
10	could take a few minutes to look at the roster,
11	and make sure that the information that you have,
12	that's listed there for you is correct. And that
13	Pam has the correct email and phone number for
14	you. That would be very helpful for coordinating
15	the meetings in between now and April.
16	Also if you haven't done so already,
17	you know, start thinking about when you want to
18	meet again as a working group. Pam is really
19	hoping sometime between November and early
20	December that you all can convene with your
21	working groups again.
22	(Off the record comments)

MS. KNORR: Yes, the roster should be 1 2 in your folder on the right side I believe. MALE PARTICIPANT: 3 Just the roster, 4 not contact information. FEMALE PARTICIPANT: No contact 5 information. 6 7 MS. KNORR: Check out the listing 8 there though, that your, you know, associated 9 with, the right business. 10 FEMALE PARTICIPANT: Oh, yes. MS. KNORR: And just update her on 11 12 your contact info. You're right there isn't any contact info on there. 13 14 (Off the record comments) MS. KNORR: All right. I think that's 15 16 really all the official business that we have before we take off for our field trip. 17 There is 18 information on the rooftop farm that we're going 19 to be visiting in your folder as well. So if you 20 want to take a look at that, you're obviously 21 welcome to do so. 22 But before we leave for our outing, I

1 will accept a motion to officially adjourn our 2 meeting. 3 MR. HANAS: I move, second? 4 MS. KNORR: All right. Did you, if 5 you could state your name for the recorder? (Off the record comments) 6 7 MS. KNORR: So Rick Hanas first it? 8 I'm sorry, point of MR. MCREYNOLDS: 9 order. Did we ever approve minutes from the last 10 meeting? 11 No, we did not, but Pam MS. KNORR: 12 mentioned yesterday that we were going to do that 13 by email. MR. SUTTON: And this doesn't need to 14 be discussed right now, Dan Sutton, but the 15 16 comment that was made yesterday by the gentleman 17 about this committee supporting USDA's efforts 18 with the EPA, I think needs to be taken up for 19 discussion. Possibly in our next meeting. Because I think that's a valid point that was 20 21 brought up yesterday, so. 22 MS. KNORR: Okay. Any other comments

1	for the good of the cause before we adjourn?
2	MR. BURNS: Can I add one more?
3	MS. KNORR: Yes.
4	MR. BURNS: So for the Food Safety
5	Working Group, I'm going to save myself an email,
6	the recommendations that we made to the Secretary
7	are in your packet. So all seven are in there.
8	We'll make sure we get an update to see where we
9	are against those, but thank you for that.
10	MS. KNORR: Okay, so we have a motion
11	to adjourn. Do we have a second?
12	MR. ALLISON: Mark Allison.
13	MS. KNORR: Okay. All right, we are
14	officially adjourned. Thank you very much ladies
15	and gentlemen, and see you on the bus.
